SW Arkansas Center War Eagle Correction Eureka Springs Show

The February issue of the Arkansas Business and Economic Review was late getting here—it arrived this week-end—but it has some good trade information for Hope and Prescott.

It reports that the center of population in the Southwest district of the state is just across the southern Hempstead line in Nevada county. Therefore Hope and Prescott are in the population center of a territory ranging from Union county on the east to the Texas line in Texarkana, Ark., and north to include Sevier and Howard counties.

We knew that our area was central to the district, but it's good to have statistical proof. The Review is a joint publication of the Bureau of Business and Economic Research, Fayetteville; the Industrial Research and Extension Center, Little Rock; and the College of Business Administration, University of Arkansas, Fayetteville.

In writing about the Spring show to be held at War Eagle this week-end, Friday through Sunday, April 28-30, in this column last Thursday, April 20, I called it a "Handicraft Fair"—which was erroneous.

Fact is, I had mislaid my memo and had to grab the description out of my editorial hat. Recovering the memo, an official press release from the State Department of Parks and Tourism, I find the Spring event is an Antique and Collectors Fair.

The October event is the Arts and Crafts Fair, which I have visited twice—but the one this week-end, staged by the same organization, the Ozarks Arts and Crafts Fair Association, features antiques and other collectors' items.

If your calendar is handy you might mark on it this information for next month:

The Eureka Springs Chamber of Commerce drops me a line to report it will hold an Arts and Crafts Fair May 19-21.

"The Professional Craftsman-Artist Festival and Sale," the note continues, "will be held in the beautiful, historic Crescent Hotel. Artists from surrounding states as well as top Ozark craftsmen will compete for cash prizes while displaying their work for sale. Entry forms and additional information will be available from the Eureka Springs Chamber of Commerce."

Alagood Makes Appeal

LITTLE ROCK (AP) — State Sen. Oscar Alagood of Little Rock, a Democratic candidate for secretary of state, has appealed to all candidates in the elections this year to refrain from posting campaign signs on trees.

"I've heard many people express the opinion that they will not vote for any candidate who nails his sign to a tree," Alagood said in a statement Saturday.

By Commission

Price Rollbacks Likely

NEW YORK (AP) — The Price Commission will order hundreds of millions of dollars in price rollbacks and customer refunds in the next few weeks, its chairman announced today.

Chairman C. Jackson Grayson Jr. said the reason is that the commission's limit on profit margins in beginning to take hold as a second line of defense against inflation.

Grayson, speaking of the matter publicly for the first time in remarks for the annual meeting of The Associated Press, said he hopes the announcement will help rally public opinion behind controls.

"In a very few words I would like to inform you that beginning late last week, the Price

Commission inaugurated a series of major actions which will result in hundreds of millions of dollars of price reductions, which will roll back current prices of some of the country's largest companies to their base-period levels."

Meanwhile, Donald Rumsfeld, director of the Cost of Living Council, told automobile manufacturers not to expect approval of large price increases.

In a speech prepared for the Economic Club of Detroit, Rumsfeld said steel companies' hold-the-price-line pledge "is a significant step in the effort to reduce inflation, a step which should be reflected in the prices of 1970 model cars."

Grayson explained that the

a permanent basis. This backing came from farm-state senators who saw their farmers suffering big losses as export shipments were blocked.

When the dock-strike legislation was before the Senate in February, Sen. Robert W. Packwood, R-Ore., sought to attach a permanent national emergency-strike provision as an amendment.

Sen. Harrison A. Williams, Jr., D-N.J., the Labor Committee chairman, and Democratic leaders were able to beat the provision by only three votes.

Unless the committee acts by May 19 to draft its bill on permanent machinery, Packwood says, he will bring up the issue again on the floor as an amendment to some pertinent bill.

Williams agreed that, if the committee fails to work out a bill by then, he will not ask for more time.

But, even if the panel ap-

proved a bill, it does not mean the legislation will be enacted or even pass the Senate this year. It could not get to the Senate floor before June.

Even if the Senate should approve a bill, chances for House action are slim. A House Commerce subcommittee has said it will take no action during this session.

Whatever solution is finally arrived at in the Senate Committee, it is not expected to include the key recommendation of President Nixon.

Nixon proposes, Packwood endorses and labor opposes a final-offer-selection plan which could bring a forced government settlement of an emergency strike in transportation industries.

Under it, the parties would have to submit final offers and a presidentially-appointed panel would select one which then would become the settlement.

Emergency Strike Action Near

By JOE HALL
Associated Press Writer

WASHINGTON (AP) — The Senate Labor Committee appears ready to approve legislation to deal with nationwide emergency strikes, but final Congressional action probably won't come this session.

Earlier in this Congress it seemed doubtful that committee, dominated by liberals, would approve any such legislation.

But the increasing annoyance of having to deal on a case-by-case basis with emergency strikes has changed the picture.

Last year Congress had to pass legislation to head off a nationwide rail shutdown. Early in this session it was called on to settle the West Coast dock strike.

The dock tieup particularly brought new support for establishment of some system to deal with emergency strikes on

Apollo Set to Start Return Trip Tonight

By HOWARD BENEDICT
AP Aerospace Writer

SPACE CENTER, Houston (AP) — Apollo 16's explorers fire out of lunar orbit tonight to start the long journey home with a treasure ship of rocks that scientists believe will prove the moon long ago was wracked by volcanoes.

The major finds came Sunday, on the third moon drive that almost was canceled because Mission Control felt the astronauts might be tired and pressed for time as a result of their late landing Thursday night.

They return with 245 pounds of materials which represent perhaps the oldest and most significant samples yet collected on the lunar surface. Locked inside are secrets of how the moon was born more than four billion years ago.

Geologists are certain that John W. Young, Charles M. Duke Jr. and Thomas K. Mattingly got everything they sought during man's fifth moon landing mission, primarily the volcanic evidence.

The astronauts trigger the command ship Casper's big engine at 9:16 p.m. tonight to begin the 66-hour, 240,000-mile voyage back to earth. Splashdown is scheduled Thursday in the Pacific Ocean.

The three astronauts were reunited Sunday night after Young and Duke blasted off the

moon in the cabin section of the lunar ship Orion and skillfully maneuvered it to a linkup two hours later with Mattingly in Casper.

"What a ride! What a ride!" Duke shouted as Orion blasted away from the mountainous Descartes plateau at 8:36 p.m., EST ending a 71-hour surface expedition during which the moonmen set records for the amount of rocks collected, time on the surface and speed traveled by their classy, moon buggy.

The two ships maneuvered around one another as Mattingly took pictures of the effects of the liftoff on Orion's thin skin, then they gingerly moved together nose-to-nose.

"I believe we got everything we went for," said Dr. Tony England, a scientist-astronaut who was capsule communicator during much of the flight.

"It was an outstanding success—really crowning achievement for the Apollo 16 crew," said flight controller Pete Franks.

The main goal was to find volcanic evidence as they drove their moon car over the Descartes plateau and on and around Stone Mountain.

No Family Free of Mental Disorders

By FRANK CAREY
AP Science Writer

WASHINGTON (AP) — Citing government statistics, a National Institute of Mental Health psychologist said today there is growing evidence that "almost no family in the nation is entirely free of mental disorders."

And, Dr. David Rosenthal suggested that the incidence of mental disorders may figure prominently among the causes of the country's social turbulence and disorders, including crime and racial unrest.

Based on a 1967 institute survey, which Rosenthal said contains the latest figures, he concluded possibly 60 million Americans are borderline schizophrenics or exhibit other deviant mental behavior in the schizophrenic category.

"Indeed," Rosenthal said in a report to the National Academy of Sciences, "it may very well be that the so-called 'normal' person, with respect to mental

health, does not represent a norm at all, but rather an ideal—relatively rare—that most of us would like to achieve."

Rosenthal said there are more than 1.75 million schizophrenic or potentially schizophrenic persons walking the streets besides at least 500,000 in hospitals. Schizophrenia, one of the major mental illnesses, includes a tendency to withdraw from reality and often involves hallucinations and delusions.

In his report, prepared for the academy's annual meeting, Rosenthal said there's growing evidence that hereditary factors may play a role in causing at least some forms of mental illness.

He declared that fuller acceptance of that idea by scientists might ultimately lead to better means of controlling mental illness, with the benefits going to society in general.

Wreck Involves Local Residents

Five persons were injured about 9 p.m. Saturday in a one-car accident at the Jefferson Street overpass in Texarkana.

Arkansas State Policeman Marvin Sinyard said the accident occurred when a car driven by James Johnson, 21, of Hope, missed a curve and hit a culvert.

Johnson and passengers, Jimmy Howard, Burnell Stuart, Larry Monk, and James Morrison were taken to St. Michael's hospital where they were treated and released.

North Vietnam Tanks Knock Out 3 Bases

PICKING A TUNE is accompanied by the hum whine of bullets in this convoy south of Quant Tri as the North Vietnamese onslaught continues.

By GEORGE ESPER
Associated Press Writer

SAIGON (AP) — North Vietnamese tanks and troops crushed the northern defenses of Kontum Province in the central highlands today.

Spearheaded by a column of more than 20 tanks, the Communist troops knocked out three more South Vietnamese bases, seized a seven-mile stretch of the highlands' highway lifeline, cut Kontum Province in two and isolated thousands of people.

Among the bases was the first division headquarters lost in the enemy's offensive, now in its 26th day.

A U.S. helicopter was shot down near Dak To, north of Kontum, and the four crewmen were killed. It was the 22nd American helicopter lost since the offensive began, the U.S. Command said. Seventeen planes also have been lost, and total air crew casualties are 25 Americans killed, eight wounded and 35 missing, the command said.

The United States sent its big See NORTH VIETNAM (On Page Two)

More Troops Return

SAIGON (AP) — American troop strength in South Vietnam has dropped to within 4,000 of President Nixon's target of 69,000 men by the end of this week, but Navy strength offshore has climbed to nearly 40,000.

The U.S. Command's weekly strength summary reported that the number of U.S. troops in Vietnam dropped 8,500 last week, the biggest weekly cut since December. This left a total of 76,500 as of last Thursday, but further cuts during the past four days brought the figure to about 73,000, sources said.

While Nixon is continuing to withdraw ground troops in South Vietnam, he is building up naval forces off the coast and air forces in Thailand to counter the Communist offensive now in its 26th day.

Nixon reportedly plans to announce before next Monday whether the withdrawals will continue after May 1 despite the massive North Vietnamese offensive.

\$4.1 Billion Emergency Appropriation Passes

WASHINGTON (AP) — An emergency \$4.1-billion appropriations bill, including funds for the Neighborhood Youth Corps and disaster relief, was approved Monday by the House Appropriations Committee. The bill is scheduled for House action Wednesday.

Most of the money is for the remaining months of the 1972 fiscal year which ends June 30. More than one-half, \$2.38 bil-

lion, represents the cost of government pay raises that became effective earlier in the fiscal year but were not funded at the time. They include \$2.24 billion for military personnel.

The Youth Corps summer program was allotted an additional \$95 million to finance 194,600 more enrollments for temporary jobs and to provide recreational programs. This would provide a total of \$270.7

million for 609,300 persons during this summer.

The committee included \$70 million for the disaster loan fund to broaden the flood-insurance program and provide aid for flood-stricken areas in West Virginia and New England.

It turned down, however, a request for \$320 million for investment in the International Development Association, noting that a request for the same amount is pending for fiscal year 1973 starting July 1, 1972.

Other allotments approved include:

—\$806.2 million for public assistance grants to states.

—\$7.6 million for contribution to the International Labor Organization.

Mills Blames Nixon

MEDFORD, Mass. (AP) — Rep. Wilbur Mills, D-Ark., said Sunday that President Nixon has turned a robust American economy into a stagnant one.

Mills, who is seeking the Democratic presidential nomination, said if the President does not use more stringent controls to get the economy in hand, the Congress will.

He said that Nixon's economic "ineptitude" cannot be allowed to continue.

Mills, chairman of the House Ways and Means Committee, spoke at a Knights of Columbus breakfast meeting here Sunday, then taped a television address in Boston.

He said that when Nixon office in 1968, he inherited an

"economy that was moving," on in which unemployment stood at 3.6 per cent.

Since then, he said, the President has allowed the economy to "drift and stagnate" to a point where close to 6 per cent of the U.S. labor force is unemployed.

Mills said that one reason the economy was not responding to the stimuli of wage and price controls was because consumers had no faith in them, and had lost respect for their government.

"I don't like the thought of a man looking for a job that doesn't exist," he said. "A man comes home not only empty-handed, but empty-hearted."

Record of Apollo 16

SPACE CENTER, Houston (AP) — Apollo 16 starts home today with a record of successes and one failure.

Here's a capsule summary of the accomplishments in man's fifth moon landing:

— Finding of rocks believed formed by the volcanoes which shaped the early moon.

— Most rocks gathered on moon — A total 245 pounds, or 30 pounds more than the first three moon landings combined and 76 pounds more than Apollo 15.

— Longest total hours exploring the moon's surface—20 hours, 14 minutes—and longest single excursion—moon drive II which lasted 7 hours, 23 minutes.

— Fastest lunar speed on wheels—11 miles per hour in the rover during the third excursion.

— First landing in the moon's highlands. The other landings were in maria, or plains, areas of the moon.

— Largest single rock collected on the moon. The astronauts are bringing home a small boulder weighing 49 pounds.

— Largest lunar crater ever visited. North Ray three-quarters of a mile wide and 900 feet deep.

— First major lunar surface experiment to fail. A power cord to the heat flow experiment was broken during the descent while it was being deployed.

All Around Town

Dwight Galloway of Hope will receive a Bachelor of Science degree at Arkansas State University at the annual spring commencement exercises Friday, May 12, in Kays Stadium.

Mr. and Mrs. Frank McLarty returned home last week from a European trip with other Ford dealers and their wives that took them to Athens, Greece, several Greek islands in the Adriatic Seas, Paris, France, the two week trip was made primarily aboard a 747 jet.

Chairman Frank Hill of the Project Area B committee has called a special meet for Wednesday, April 26, at 7:30 p.m. in the Douglas Building for discussion of a previously recommended revision plan in connection with the neighborhood park and Chairman Luther Holloman has called a meeting of the Downtown Area Committee for 7:30 p.m. April 27 at the Douglas Building, a film and slides of before and after urban renewal in other cities will be shown and there will be a review of the recent trip to London, Texas, all downtown

merchants and property owners are urged to be present.

Two Medical Technologists from Hempstead County Memorial Hospital, Mrs. Linda Johnson, B.S.M.T. (ASCP) and Mrs. Ann Johnson, B.S.M.T. (ASCP) were among the 390 participants who attended the Bi-State Convention of the Oklahoma-Arkansas Society of Medical Technologists on April 13-15 at the Arlington Hotel, Hot Springs, Arkansas.

The Hope Lions Club will conduct a Radiothon on KXAR Saturday, April 29, 12:20 to 4:00 p.m. for the family of William Cox. Mr. Cox was injured about 2 months ago when the Heavy Equipment he was driving was struck by a train. He was working for the State Highway Department at the time of the accident. The family has used up their assets in a long hospitalization period and is now in severe financial difficulty. Complete details will be furnished in the Radiothon Saturday, April 29, 12:20 to 4:00 p.m. on KXAR. Elmer Smith, Chairman.

Four Deaths on Highways

By THE ASSOCIATED PRESS
Four persons were killed on the state's highways this past weekend.

The Associated Press weekend highway death count began at 6 p.m. Friday and ended at midnight Sunday.

State Police identified the victims as:

—Everett E. Lewis Jr., 14, of Texarkana, Tex., who was killed Saturday night in a motorcycle accident on a Little River County road east of Ogden.

Clyde Nettles, 72, of near Bearden in a two-car crash Saturday afternoon on U.S. 79 north of Camden.

George L. Davis, 35, of Tyrone, in a three-vehicle accident on Interstate 55 near Clarkdale Friday night.

Emmett David Bardwell, 48, of Gilmore, died Sunday when he was struck by a pickup truck on a service road of Interstate 55 near Marion.

Arkansas Farmers Receive Subsidies

WASHINGTON (AP) — Arkansas farmers received a total of 83 payments of more than \$20,000 each in farm subsidies, according to the Congressional Record.

According to the office of Rep. Paul Findley, R-Ill., who entered into the Congressional record the list of farmers in the nation who received more than \$20,000 in direct subsidies the total in Arkansas was \$27,872,000.

This was an increase over the 1970 figure of 583 payments totaling almost \$11,13,000.

Cooler Temperatures Through Tuesday

By THE ASSOCIATED PRESS

The passage of a cold front through the state during the night brought cooler weather to Arkansas today. The forecast says the cooler temperatures will prevail through Tuesday.

The National Weather Service also predicted that skies would become fair tonight and remain fair Tuesday.

Low temperatures tonight were predicted in the mid 30s to mid 40s with highs Tuesday in the 60s to low 70s.

The extended forecast calls for the possibility of showers in

western Arkansas Wednesday and over the state Thursday and Friday with a warming trend.

Overnight low temperatures included 38 at Fayetteville, 41 at Harrison, 50 at Jonesboro, 56 at Pine Bluff, 59 at Texarkana, 51 at Memphis, 54 at El Dorado, 52 at Little Rock and 45 at Fort Smith.

Rainfall reports during the 24-hour period ended at 6:30 a.m. today included .04 of an inch at Jonesboro and .01 at Memphis.

Court Changes Mind on Confession Law

WASHINGTON (AP) — The Supreme Court tossed out Monday a test case which could have altered the famous "Miranda" decision governing the use of confessions.

It represented a change of heart for the justices who had last month agreed to re-examine the decision in light of the 1968 federal crime control law which made it easier to use confessions at federal trials.

The vehicle for re-examination was to have been a Pennsylvania case involving confessions given Philadelphia authorities by Paul Ware in 1963 in the slaying of four elderly persons.

Prosecutors had asked the court to overturn a Pennsylvania state supreme court decision which placed Ware's case under the 1966 "Miranda" rule which invalidates confessions unless the accused has been informed of his right to remain silent and to have an attorney present during questioning.

Ware's lawyers argued that the state tribunal's ruling should not be reviewed because it was based in part on state law thus placing it beyond the reach of the federal high bench.

The court agreed Monday with that contention, saying that the state ruling "rests upon an adequate state ground."

Ware's confessions came in 1963 but he was not judged competent to stand trial until

Louisiana Law Struck Down

WASHINGTON (AP) — The Supreme Court struck down today a Louisiana law that gave legitimate children first claim to workmen's compensation benefits due their dead father.

"Obviously no child is responsible for his birth and penalizing the illegitimate child is an ineffectual—as well as an unjust—way of deterring the parent" in his behavior, said Justice Lewis Powell Jr., who wrote the 8 to 1 opinion for the majority. "Visiting this condemnation on the head of an infant is illogical and unjust."

The ruling that the state law violated the equal protection clause of the 14th Amendment came in a case brought by Willie Weber of Baton Rouge.

It named Earl Gibbon Transport Co. and his insurance company, the Aetna Casualty Co., defendants.

The Weber woman lived with the late Henry Clyde Stokes for three years and had two children during that time. Stokes, whose wife was confined to a mental institution, died in 1967 in an industrial accident on another company's property.

A damage suit brought on behalf of Stokes for legitimate children was settled for more than the maximum workmen's compensation benefit. Under Louisiana law, the settlement exhausted all claims to workmen's compensation, thus leaving the two illegitimate children without recourse.

Obituaries

PRICE REED

Price Reed, age 74, of Route 1 McNab, died early Sunday at his home of an apparent heart attack. He was born in the Saratoga community and was a retired farmer.

Survivors include: three daughters, Mrs. Gail Copeland, Texarkana, Texas, Mrs. Harry Foreman, Lubbock, Texas, William Hartsburg of West Phalia, Ind. one son, James "Jack" Reed of Ft. Worth, one sister, Mrs. Mattie Reed McArthur, Texarkana, Ark., eleven grandchildren and five great grandchildren.

Funeral services will be Tuesday at 3 p.m. at the Yellow Creek Church with Rev. M. H. Peebles officiating. Burial will be in the Yellow Creek Cemetery under the direction of Herndon Funeral Home of Hope.

MRS. THOMAS J. CARTER, JR.

Mrs. Thomas J. Carter, Jr., the former Virginia Pritchard of Hope, died Sunday in Vicksburg, Miss.

Survivors include her husband, Thomas J. Carter, Jr.; one son, Thomas J. Carter III; and one daughter, Mrs. Elizabeth Carter Styles, all of Vicksburg; her mother, Mrs. Elizabeth Pritchard of Hope; two sisters, Mrs. Albert Graves of Hope and Mrs. Wade Hitt of Culpepper, Virginia.

Funeral services will be held Tuesday in Vicksburg. Arrangements are incomplete at this time.

England's King William II, who died in 1100, was released a church label by the clergy.

Rotary Club Speaker

—Bill Wray photo with Star Camera

MRS. PHIL MANUS

An encore appearance of the Madrigal Singers presented Hope High Madrigal Singers under the direction of Mrs. Paul Morgan was the program arranged by Rotarian Jack Beatty at the Hope Rotary Club's luncheon meeting Friday, April 21. At a recent festival the singers had received excellent and superior ratings for the first two numbers the Rotary Club heard, "Sweet Kate," a madrigal, and "When I'm Dead, My Dearest," a folk song.

In a more modern vein the

Madrigal Singers presented "Sunrise, Sunset" from "Fiddler on the Roof" and two numbers from "Camelot," the title song arranged by Rotarian Jack Beatty at the Hope Rotary Club's luncheon meeting Friday, April 21. At a recent festival the singers had received excellent and superior ratings for the first two numbers the Rotary Club heard, "Sweet Kate," a madrigal, and "When I'm Dead, My Dearest," a folk song.

In a more modern vein the

Bumpers Opens Campaign

LITTLE ROCK (AP) — Gov. Dale Bumpers will begin formal campaigning this week, but he said Sunday that he did not want the support of disenchanted politicians who had asked for unreasonable requests.

Bumpers said at Arkansas Tech Sunday that there had been discussion that he had lost favor with some politicians, which he said was possibly true.

Bumpers, who is seeking reelection, said that anyone who came to his office and had a

demand or request that was good for Arkansas had that request honored.

"Any one who came with a request of demand which was not in the best interest of the people of Arkansas" did not have that request granted. "All of those who have fallen out of me over the past 15 months because of that, can find themselves another candidate."

Starting today, Bumpers will visit South Arkansas, beginning with Sheridan.

His southern swing will take him to ten towns.

Tuesday night he will address the El Dorado Jaycees and Wednesday afternoon he will be in Warren to speak before the Bradley County Education Association at the Warren High School.

While in Warren he will also attend an open house at the First National Bank.

Bumpers plans to campaign in Mississippi communities in Northeast Arkansas Thursday, combining politicking with official business. Friday, the gov-

Reagan Says Vietnamese Will Try to Influence Elections

SACRAMENTO, Calif. (AP) — Gov. Ronald Reagan says the North Vietnamese will try to influence the American elections because it would be to their advantage to have "any one of several of the Democratic candidates" become president.

He said the Communists won the war of Indochina from the French "in the streets of Paris, not in Vietnam, and now their hope still is they can win this one in the streets of Washington."

The Republican governor added, "They read the remarks of the Democratic candidates for president."

The North Vietnamese see the Democratic candidates "getting votes in primaries, and they're all of them doves, and they're all of them saying 'Well, we'd get out, we'd abandon the South Vietnamese, we have no love for the govern-

ment in Saigon at all."

"Anything they can do to hopefully influence this election they're going to do, because they have to have an advantage if any one of several of the Democratic candidates should become president."

Reagan said that it is apparent from the timing of the current Communist offensive that they are trying to stir up anti-war feeling in the United States during election campaigning.

As for another bombing halt, he said President Lyndon Johnson tried that. He said the last halt was the 18th, "and it didn't work with the enemy. Now the enemy has given his answer: Just outright, and for the first time just overt invasion—no pretent that it is a Viet Cong or civil war type uprising."

Reagan said the only alternative "is to say, 'All right, we tried the other 18 times. Now we just have to hurt this enemy to the place where he finds it more advantageous to sit down and talk peace than to continue doing what he is doing.'"

As for the war policy of President Nixon, for whom Reagan is re-election campaign chairman in California, he said, "I think it took a lot of courage to do what had to be done, to signal this bombing setup."

He said he thought President Nixon would halt the bombing if the North Vietnamese withdrew to behind the demilitarized zone.

Mississippi Wins

LITTLE ROCK (AP) — The state Supreme Court today upheld a lower court decision finding that about 2,000 acres of disputed land was a part of the state of Mississippi and not of Arkansas.

The ruling upheld a judgment by Judge Ford Smith in Phillips County Chancery Court, who dismissed a petition by Fred Pannell seeking title to the land.

The property is attached to the state of Mississippi on the eastern shore of the Mississippi River, but Pannell contended it had always been a part of Phillips County in Arkansas.

Pannell claimed that by avulsive action in 1858, the river changed course, severing the land from the rest of Arkansas. By subsequent accretions, it attached to the state of Mississippi, he claimed.

But Cecil L. Earls and E. M. Regenold, defending against Pannell's claim, contended that the land was never part of Arkansas, but became a part of Mississippi by gradual accretion to the east bank of the river since 1830.

Associate Justice J. Fred Jones said in the Supreme Court ruling that Pannell had failed to furnish the proof necessary to sustain his contention of an avulsion on the river in 1858 that caused the land shift.

Jones said there was a strong presumption in favor of the permanency of land boundary lines. Furthermore, he said, when land lines are altered by the movement of a stream, the weight of both federal and state authority appears to recognize a strong presumption that the movement occurs by gradual erosion and accretion rather than by avulsion.

He said this presumption was founded on long experience and observation.

NORTH VIETNAM (From Page One)

B52 bombers to within 80 miles of Hanoi to attack supply depots, railroads, highways and marshalling yards at the big coastal city of Thanh Hoa.

For the first time in the war, one of the giant bombers was reported hit over the North, by fragments from a surface-to-air missile, but it returned safely to Da Nang with 30 holes in its fuselage and a ruptured fuel tank. There were no casualties among the six crewmen.

Another American plane, an Air Force F4 Phantom fighter-bomber, was shot down near Dong Hoi, 45 miles above the demilitarized zone, and the two crewmen were pulled from the Tonkin Gulf by a Navy helicopter.

Two U.S. 7th Fleet destroyers were hit by shore fire. No casualties were reported.

Nine Americans were wounded and three buildings were damaged by a 13-round rocket barrage against the Da Nang Air Base, the biggest in South Vietnam from which raids are flown against North Vietnam.

Court Proceedings

Carleton Harris, chief justice: N. B. Yarbrough Jr., et al v. Prentice Lee Tractor Co., et al, from Union Chancery, 2nd Division, affirmed.

Hyde Vending Co. Inc. v. Wayne Poultry Co., from Yell Chancery, reversed and remanded. Smith and Byrd dissent.

George Rose Smith, justice: Billy Meyers v. the state, from Carroll Circuit, Western Division, affirmed.

City of North Little Rock, et al v. Carmen Linn, from Pulaski Chancery, 3rd Division, reversed.

Lyle Brown, justice: Frances Thompson v. George W. Orr Estate, from Pulaski Probate, affirmed.

Gertrude McBroom, et al v. Russell W. Clark, et ux, from Benton Chancery, affirmed.

Byrd dissents.

John A. Fogleman, justice: Arkansas State Highway Commission v. James L. Busby, et ux, from St. Francis Circuit, affirmed.

J. Fred Jones, justice: Fred Pannell v. Cecil L. Earls, et al, from Phillips Chancery, affirmed.

Fogleman not participating.

Allstate Insurance Co. v. Lanie Sue Ormand, et al. Motion of appellees for additional attorney's fee passed until case is heard on merits.

Leo Thompson v. the state. Motion of appellant to recall mandate is denied without prejudice under provisions of Rule 22(c).

Chinese Team Tastes Southern Hospitality

MEMPHIS (AP) — The Chinese and American table tennis teams, with a weekend of Memphis-style Southern hospitality tucked away, headed toward Los Angeles today.

During the weekend visit the American squad made its best showing yet in the table tennis matches, dividing a 10-game bout with the Chinese 5-5.

The Chinese were treated to a Mississippi riverboat ride, an afternoon on a 1,000-acre horse farm and a lot of Southern fried chicken.

The Chinese also got together in a special practice session Sunday with the Americans to teach their hosts some of the finer points that have made the Orientals the world's best table tennis players.

Chang Hsieh-lin, coach of the Chinese team and twice world doubles champion, said he expected sports exchanges to continue between mainland China and the United States, promoting better understanding and friendship between the two nations.

Chang made his comments while some of the Chinese and Americans, both staff and players, were taking shots at the basketball goals in the University of Tennessee Medical School gymnasium.

"I would hope that a U.S. basketball team would come to China in the near future," said the Chinese coach. "I believe

Supports Women's Right

El Dorado, Ark. (AP) — Jack Coleman, candidate for the Democratic nomination for 4th District congressman, said Sunday that if elected he would urge the Arkansas legislature to ratify the women's rights amendment.

Coleman said that women are providing an active voice in business, political and civic affairs, but that some laws failed to recognize the role of the women in the 1970s.

A MAN FOR THE PEOPLE

Elect Norman M. SMITH
Prosecuting Attorney

Between 8 a.m. and 4 p.m. Monday thru Friday

Calendar of Events

Tuesday, April 25
Chapter AE, P.E.O., will meet Tuesday, April 25 at 2 p.m. in the home of Mrs. Kinard Young with Mrs. Jim Robertson, co-hostess.

The Jett B. Graves Class of the First United Methodist Church will have a potluck supper Tuesday, April 25 at 7 p.m. at the church. Hostesses will be Mesdames: Ralph Montgomery, Lynn Montgomery, Tommy Montgomery, Johnnie Green, Herbert Griffin and Tom Middlebrooks.

The Cosmopolitan Club will meet in the home of Mrs. George Newbern, on Tuesday, April 25, at 7:30 p.m. Mrs. Thomas Hays will be co-hostess.

Friday, April 28
Pupils of Mrs. Bess Evans will be presented in a piano recital, Friday April 28 at 7:30 p.m. First Baptist Church fellowship hall. The public is invited.

The Friday Music Club will meet Friday, April 28 at 3:30 p.m. in the home of Mrs. B.C. Hyatt with Mrs. Garrett Story and Mrs. B.W. Edwards, co-hostesses. The program will be duo-piano selections.

Methodist Kindergarten Gives Spring Program

On Friday morning, April 21, Mrs. Bob Moers treated the children of Methodist Kindergarten with delicious homemade cup cakes to celebrate the sixth birthday of her daughter, Patricia.

On Friday evening the children entertained their families and friends with a spring program to round out the year's work. Lloyd Bass was the announcer. In the program of songs, rhythm band numbers, pantomimes and dances John Garrett was the sleeping Brother John, Chris Moers was a birdie with a yellow bill, Robin Davis was the mouse in Hickory Dickory Dock, Traci Neville was the Old Woman and Stacy Wylie the Pig. In The Old Woman and Her Pig, Danny Brown was the Crooked Man, Kelly Riggs the Cat and Robin Davis the Mouse. In There Was a Crooked Man, Lloyd Bass acted as Color Guard and Beth Garrett directed the presentation of flags during the singing of "This Is My Country." Dwayne Masingale led the rhythm band in a "Little Polka." John Garrett and Todd Bruce were clowns pantomiming the song The Funny Old Clown. Mike Vines was the donkey and Becky Raschke the driver for the pantomime of the Lazy Donkey. Jerry Don Martin was the dog in the song "My Little Dog." Mark DeVenney was the Rabbit in "Bunny Hiding in the Grass," and Charla Townsend and Susan Worthey were wild bunnies. Griffin Park and Charla Townsend acted as property men. Other children participating were: Ann Wilson,

Donna Camp, Ginger Brown, Kay Porter, Misti Harris, Patricia Moers, Shannon Stephenson, Sherri Embry, Sharyla Cooper, Arty Mhoon, Gil Burke, Michael May, and Trey Sharpe.

Daffodil Garden Club
The Daffodil Garden Club met Thursday, April 20 in the home of Mrs. Mack McLarty with Mrs. Bill Capps, co-hostess. "A Guide to Good Eating" was the most informative program which a special guest, Mrs. Tommy Crouch of the Extension Service, brought. She distributed pamphlets to illustrate her talk and answered questions from the members.

Mrs. McLarty reported that the committee she heads had planted five live oaks at Fair Park and had received a request to do the same thing at Brookwood School, which it will do.

The nominating committee presented a slate of officers that was accepted by acclamation: president, Mrs. John Gamba; vice-president, Mrs. David Stewart; secretary, Mrs. Alvin Easterling; treasurer, Mrs. Ford Ward; historian, Mrs. Bob Brown; parliamentarian, Mrs. Jud Martindale.

During the refreshment hour, strawberry jam cake was served with coffee or cold drinks to 12 members and the guest speaker.

United Daughters of the Confederacy

District 4 of the United Daughters of the Confederacy met at the old schoolhouse in Washington on Wednesday, April 19 with the district president, Mrs. A.W. Merritt, in charge. The meeting was also attended by three state officers, Mrs. C.B. Lewis of Pine Bluff, president, Mrs. Boyce Drummond of Little Rock and Mrs. W.B. Burkett of El Dorado.

One of the rooms at the old schoolhouse has been given to District 4, UDC, and is being renovated under the supervision of District President Merritt, Miss Margaret Black and Miss Eloise Clark, all of El Dorado. At noon a picnic was enjoyed, followed by a tour of the Pioneer Restoration. Going from the Pat Ceburne "Chapter," UDC, were Mrs. C.B. Voss, Mrs. Charles Locke, Mrs. Wilbur Jones, Mrs. J.W. Branch, and prospective members, Mrs. E.F. Fornby and Mrs. W.R. Vandivere.

Coming, Going

Mr. and Mrs. Haskell Jones and Mr. and Mrs. Jim Gary attended a meeting of the Arkansas Radio Network executives in Hot Springs this weekend.

David May, Little Rock, visited his grandparents, Mr. and Mrs. Roy Martin, last week while his parents, Mr. and Mrs. Doug May, made a trip to Jamaica, the Bahamas and Nassau in the Caribbean on a trip he had won from American Fidelity. Mrs. May will be remembered as the former Brenda Martin.

Mr. and Mrs. J.A. Davis have returned from Little Rock where they spent a few days with Dr. and Mrs. Rex Easter, Mr. and Mrs. John Tabor and their families.

School Counselors Meet Here

Letters To The Editor

This is your newspaper. Write to it. Address letters to: Editor The Star, P.O. Box 648, Hope, Ark. 71801.

All letters must be signed, with address so you are identified to the newspaper staff, but if the character of the letter permits we will allow use of a pen-name in the publication, in which case you should add "Citizen," or some other word below your real name and address.

Pen-names are permitted when a letter deals only with issues. Direct attacks upon public officials, however, must bear the writer's name for publication.

Centennial Tabloid
Editor The Star: "This letter is written to express thanks to you for delivering the Centennial tabloid in your April 19th issue of the Hope Star."

"Too, I wish to express my thanks to the members of your staff for their part in this undertaking. 'Especially do I wish to say thank you to the young men who deliver the paper. As an ex-Hope Star carrier, I am fairly certain of my ground when I say that I am sure that the newsboys did the 'stuffing' of the tabloid into the paper."

"Again, I say thank you very much and with my kindest personal regards and best wishes." Sincerely yours,

JOHN L. WILSON

Asks For Increase

HOT SPRINGS, Ark. (AP) — Dr. John Harrell, acting state health director, said Sunday he plans to ask the 1973 legislature for a "whopping increase in our budget."

He said that the increase was to pay nurses and health aides around the state through the department. Currently many of the nurses and aides are being paid through the county judge's office.

Harrell told the Arkansas Medical Society that he also planned to ask for an increase in the health director's salary.

DR. LAWRENCE E. LAMB

Move Helps Avoid Allergens

By Lawrence Lamb, M.D.

Dear Dr. Lamb — I am pleased to discover you in Toronto's new Sun, for I enjoy reading your column. I developed an allergy in 1956. I am allergic to ragweed, trees, grass, molds, and house dust. The desensitization injections have not been successful and I have had four asthma attacks, and subsequent hospitalizations, since the spring of 1970. My seasonal allergies have become a year round asthma problem. The doctor advises that I relocate to a drier and more steady climate. Since ragweed is my main problem, I am contemplating moving to Okanagan Valley in British Columbia on a temporary trial basis. According to a booklet from the Canadian Government this area is ragweed free. Allergic Arizona is supposed to be an ideal climate. I am not sure the high temperatures will be alleviated with the

for I prefer a moderate climate. I am 45 and asthma and blood pressure are traditional in my family.

Dear Reader—First may I say that I am pleased to welcome you and the other new readers of Toronto's new Sun.

Individuals who have allergic asthma often do better in a climate free of the allergen. If your problem is simply ragweed you would benefit you. In general the areas of the world free from ragweed are all most anywhere west of the Rockies, high altitudes such as the mountains in Colorado, Wyoming, the southern tip of Florida, Europe and South America.

You also say you have trouble with grass and tree pollen. Individuals with these problems often don't gain much by a change of climate. The best approach is to test your patched new area

Individuals allergic to household pets and animal products sometimes improve markedly by eliminating pets, feather pillows, and items containing animal substances. Individuals who have house dust problems should eliminate things that contribute to collecting dust. This includes stripping your bedrooms of carpeting, getting rid of drapes and heavy furniture, and maintaining careful cleaning. It might be wise to have one room in the house that is relatively bare. Use it to isolate yourself from house dust.

I understand your desire to live in a cool climate, but one advantage to a warm climate is the use of air conditioning. The air conditioner can be used to filter out dust and helps to purify the air. This is sometimes helpful to asthmatics. Many of the so-called air filters that are advertised, however, are not completely successful

and are not nearly as good as is needed for this purpose.

For individuals whose allergy attacks are precipitated by respiratory infections, treatment is directed towards preventing or controlling respiratory infections, usually with antibiotics and similar medications.

The last time I discussed asthma, one irate reader wrote to ask why I was so ignorant not to realize that asthma was caused by psychological factors. It is true that nervous or psychogenic factors can precipitate attacks, but it has not been proved that psychological factors alone cause asthma. When asthmatic attacks are precipitated by psychic stress the person already has the basic underlying mechanism of asthma. This is not different from the current view of the American Association of Asthma.

NEWSPAPER ENTERPRISE ASSN.

HELEN HELP US!

by Helen Bottel

No Dancing Fool, He...

Dear Helen: Recently my husband and I were guests of three couples at a local club.

Upon arrival, I was informed by one of my hostesses not to accept a dance from one of the husbands, as his wife was insanely jealous. As the latter danced with our spouses, it was quite evident that her man was so well trained he wouldn't even chance a smile at any woman, let alone talk or dance with us.

We'll be in contact with this couple often as we're part of the crowd. Must we kowtow to a jealous wife? —NON-JEALOUS Dear Non:

Someone should free this poor henpecked husband from his cage—and perhaps the best way is to enlist YOUR men. Surely they'll help a fellow male by ignoring his wife until she unchains her prisoner.

A few danceless, attentionless parties, and she'll either give him a break or they'll both remain home on Saturday nights... until boredom and jealousy do them part. —H.

Dear Helen: How can you fight "creeping commercialism?"

We live in a nice woody residential area, seven miles from our small town, where two scenic rivers converge. Several homes are on this winding lane, bordered by trees—a real parklike natural wonderland.

But a gravel company wants to remove the huge gravel bar at the confluence of the rivers. This means widening the county road, cutting down trees on either side, noisy trucks, earth-tearing machinery, and pollution to the river, as well as ruination of our environment.

The county has agreed to widen the road. We've petitioned against this threat to serenity and beauty, but commissioners

say an improved road will be "good for us."

We'd guess we are only a few of millions threatened by creeping commercialism. What can we do, when no one seems to listen? —MR. G.

Dear Mr. G.:

Public opinion—especially when it concerns ecology—can work near miracles. Get the word to your local newspaper, start a "save our natural parkland" campaign, circulate petitions, do a spot of picketing.

If every landowner (except the gravel company) is against widening your county road, you'll have a big talking point. —H.

Dear Helen: My woman friend wants to have my name tattooed inside a heart—and not exactly on her arm. I have heard females are going for tattoos these days, but I still think it's unladylike. You? —NO INK JOB Dear NIJ:

Well, anyway—unwise. What if the lady has a change of heart? —H.

Dear Helen:

I'm not sure whether I heard this somewhere or originated it, but I like the saying, "Sex without love is like a butterfly without wings." —RIGHT?

Dear Right:

Right! Without love, sex can be pretty "grubby." —H.

PERSONAL TO WORRIED MOTHER OF AN INDELICATE INFANT: Your baby is normally inquisitive. If you don't believe me, ask your pediatrician—who will tell you kids try eating anything—except what their mothers say is good for them. —H.

First Suez Canal

The first Suez Canal was dug almost 4,000 years ago from the Nile Delta to a point on the Red Sea near the present port of Suez. It was abandoned and restored periodically until the 8th century, when it fell into final disuse.

Television and Radio	
NEW YORK (AP) — Broadway's Tony Awards show, which for the past couple of seasons has been setting high marks never achieved by the Oscars or the Emmys, slipped a couple of notches Sunday night with a very long program. Somehow it lost its former pace and zip.	
True there were some samples from current theater. Ruby Keeler tapdanced in a scene from "No, No, Nanette," and there was a musical number from "Jesus Christ Superstar." Ethel Merman sang eight of her show-stopping tunes. Nine stars took turns working through a chronological—and delightful—reprise of Richard Rodgers' melodies. These two Broadway veterans were given standing ovations and special awards.	
The entertainment portion of the 2 1/2-hour program was fine. The show slowed down in that old trouble spot: envelope-opening and presenting trophies. Eighteen awards were given out, almost all of them involving shows most people in the television audience had not seen and persons the viewer had never heard of.	
It was a star-studded occasion, however. All the presenters were important performers, from Ingrid Bergman to Henry Fonda. But with all the little preliminary pleasantries and then the thank-yous it dragged considerably.	
The program was preceded by a Burt Bacharach hour, "Close to Me," on the same ABC network. This was notable for the appearance of Rex Harrison talking through a couple of "My Fair Lady" numbers and reading a bit from the novel "Lost Horizons." The hit of the hour, however, was Carol Burnett singing a couple of lost-lady songs very well and never once clowning.	
The program seemed to strive hard for novelty. At one point it had the British royal household guards playing a Bacharach song to a bunch of horses. By and large, it was not as attractive as previous specials focusing on the popular composer and his work.	
The big space show was the merriest program of the week-end. The two ebullient astronauts bouncing around the lunar highlands gathering rocks sounded as excited as Boy Scouts by the scenery and the problems of their assignment. Almost all their sentences sounded as if they should have ended with exclamation marks.	
The television cameras on the moon sent beautiful pictures. There was something eerie in the blast-off of Orion on its return to the mother ship. The camera left on the moonrover showed the departure and then continued to send pictures back to earth.

Quarterback Alan Lowry, Aggie Coach Emory Ballard halfback Don Burrisk and full- unveiled the Wishbone offense back Glen Gaspard each he helped make famous as an missed all or part of the scrim- assistant at Texas under Dar- mage with injuries. rell Royal as the first team Ma- Alvin Maxson rambled for 122 yards and joined T. J. Hutchin- SMU scrimmage, bringing son's rushing with 116 yards smiles to coach Hayden Fry. while Mark Green added 83 "I think we have the makings of a good football team," Fry said. "Our offensive line was really firing out and Maxson and Hutchinson had good days yards on the ground under the leadership of quarterback Don Dean. Tech coach Jim Carlen stressed passing in the two- hour Red Raider workout and quarterbacks Jimmy Carmi- chael and Jerry Reynolds re- sponded with 225 yards passing between them. Reynolds hit on 10 of 13 toss- es, including two touchdown strikes to Ronnie Sanford, while Carmichael completed seven of 11 pitches.

ONE THING Arnold Palmer has never quite mastered is accepting a missed putt with a straight face. He couldn't do it in 1960, above. He couldn't do it in 1966, left. And he couldn't do it in a recent tournament, right.

Knicks Knock Out the Boston Celtics

By HARRY EISENBERG Associated Press Sports Writer BOSTON (AP) — "We didn't panic," explained New York Knick forward Dave DeBusschere, "and that was the ball game." Not only was it the ball game, but it also was the series. The Knicks moved into the finals of the National Basketball Association playoffs Sunday after overcoming a 14-0 deficit and defeating the Boston Celtics 111-103, taking the Eastern Conference championship 4-1. The Knicks will open the best-of-seven title series in Los Angeles Wednesday against the Western Conference champion Lakers. "We had patience," said DeBusschere, who led the balanced New York attack with 24 points while grabbing 11 rebounds. "A lesser team at that point might have panicked. We pecked away, came back, and before you knew it we were within four or five points. Once we got there, we're back in the game." The Celtics roared off to a 14-

0 lead with 3:34 gone and look- ed like they were about to run the Knicks out of Boston Gar- den. New York did not get on the scoreboard until 3:45 when Bill Bradley scored on a lay-up. The Knicks fought back, how- ever, thanks mostly to eight points by Jerry Lucas, and trailed only 27-23 at the end of the quarter. "We just couldn't seem to get off the ground," said New York coach Red Holzman. The Knicks, who played all but the first 1:46 of the second period without DeBusschere, who picked up his third person- al foul, tied the game at 34-34 with 7:38 remaining in the half. The lead switched hands five times before the Celtics took over and moved out to a 55-50 advantage at intermission. In the third quarter, however, DeBusschere took over, despite an early fourth personal foul, and scored 18 of his 24 points as the Knicks moved out to an 83-79 advantage. "Holzman's done a heck of a job with that club," said Bos- ton's John Havlicek, who led all scorers with 32 points.

Long Sudden Death

By MIKE RATHET Associated Press Sports Writer NEW YORK (AP) — Dark- ness had settled in, the bright arc lights offering little Garo Yepremian the benefit of the artificial spotlight as he trotted in to attempt the 37-yard field goal that could decide the tense playoff struggle between Miami and Kansas City. The ball was snapped, Karl Noonan spotted it, Yepremian kicked it—and the Dolphins had beaten the Chiefs 27-24 after 22 minutes and 40 seconds of sud- den death overtime in the long- est game in pro football his- tory. It may never happen again, but all the elements will be present Sunday, Sept. 17 when the Dolphins and Chiefs meet in a rematch at Kansas City in one of the openers on the Na- tional Football League's 1972 schedule. The 182-game regular season schedule announced by the NFL, also lists two other open- ers of more than passing inter- est on the 13-game opening pro- gram—Philadelphia at Dallas Sunday and Washington at Minnesota Monday night. The game against the Eagles will mark the first 1972 test for the Super Bowl champion Cow- boys, who will carry a 10-game winning streak into the season. The Redskins-Vikings clash is the opening game of the Mon- day night series nationally tele- vised by ABC-TV.

Mitchell Beats Favored Nicklaus

By BOB GREEN Associated Press Golf Writer RANCHO LA COSTA, Calif. (AP) — "The invisible man came through," chortled Bobby Mitchell. The obscure Mitchell, who had complained earlier in the week that sports writers "seem to think I'm invisible—nobody ever writes about me," had just beaten pro golf's most feared competitor in a sudden- death playoff for the title in the prestigious Tournament of Champions. The 29-year-old Mitchell rolled in a 20-foot putt on the first extra hole Sunday and beat heavily favored Jack Nick- laus for only his second victory in a pro career that dates back to the time he was a youth of 15 in Danville, Va. "It's a great feeling," ex- claimed Mitchell, who collected \$33,000 from the total purse of \$165,000. "It was a wonderful feeling when I won at Cleve- land last year (his first tour triumph). But this was even better because I beat all the champs." The Tournament of Cham- pions restricted to players who scored regular pro tour victories in the last 12 months. The awesome Nicklaus, who took the Masters and two other titles already this season, was a 4-1 favorite to successfully defend his title here. But the odds went for nothing when Nicklaus pulled his tee

shot on the par three 14th—the first playoff hole—into the deep rough and chipped six feet past. Mitchell put his tee shot in the green below the pin and made the putt. "I didn't really expect to make it," he admitted. "I was just trying to get it close." Mitchell shot a final round 70 on the long, tough La Costa Country Club course and tied Nicklaus with a 72 hole total of 280.

Bad News for Amarillo

By THE ASSOCIATED PRESS Tom Badcock spelled bad news for Amarillo in Texas League action Sunday as the Midland hurler mystified the Giants 5-0 on a three-hitter. Badcock gave up hits in the second, eighth and ninth in- nings and allowed only one run- ner past second base and pushed Midland into first place in the West Division, one game ahead of El Paso, who lost to San Antonio 10-0. Bill Travers had a four hitter and eight strikeouts for the Missions before tiring after eight innings. Dave Lindsay, with four RBI's and a two-run homer, paced the San Antonio hitting barrage. In East Division games, Alex- andria beat Memphis 3-1 and Arkansas trimmed Shreveport 5-1.

Hope Star Wilt, West Carry Lakers

SPORTS

Jim Ryun of Old

LAWRENCE, Kan. (AP) — The track world had reason to wonder today whether world record holder Jim Ryun once more is the Jim Ryun of old. Ryun, hitting a comeback trail he hopes will lead to an Olym- pic Gold Medal, outran a class- y field Saturday to win the Glenn Cunningham Mile in the Kansas Relays in 3 minutes 57.1 sec- onds. Ryun, now with 29 com- petitive sub-four-minute miles to his credit, was asked about his Olympic preparation time- table after the race and re- plied: "I feel like I'm making some progress. A time of 3:57 is right on pace for the Olympic Trials." If Ryun, who emerged from retirement of some 18 months little more than a year ago, makes the Olympic Trials, he will compete in the 1,500 me- ters in which he holds the world record. He also has the world's best times ever in the mile and the one-half mile. Ryun doesn't know right now when he will run again. He said he plans to sit down with Bob Timmons, the Kansas track coach under whom Ryun is training, and work out a sched- ule. Ryun, admittedly bothered by the delay in the race's start, was pleased that he was able to respond to the brief challenge of Tom Von Ruden of the Pacif- ic Coast Track Club on the last lap which Ryun ran in 53.8.

Pitcher Turns Into Super Hitter

By KEN RAPPOPORT Associated Press Sports Writer The modern day version of Darwin's theory of evolution is happening in St. Paul-Min- neapolis. Bobby Darwin has evolved from a pitcher to a hit- ter. "You can't make a mistake on him, he's just too strong," said Oakland Manager Dick Williams after Darwin burned the A's with two-run homer in Minnesota's 8-4 victory Sunday. From hitting batters in the minor leagues, the Twins' 29- year-old rookie sensation has gone to hitting pitchers. He's had four home runs in five games this season. Before his turnabout, Darwin worked on the mound for eight years in the farm systems of the California Angels, Balti- more Orioles and Los Angeles Dodgers. He switched to the outfield in 1970 and realized his hitting potential right away, striking 40 home runs in two seasons of minor league ball in the Dodger's chain. He also hit one homer in 20 at-bats as a major leaguer. The swinging outfielder caught the attention of Min- nesota scouts and the Twins ob- tained Darwin on Oct. 22, 1971.

By MIKE O'BRIEN Associated Press Sports Writer MILWAUKEE (AP) — The Milwaukee Bucks' National Basketball Association cham- pionship reign is over, but they aren't quite ready to concede they lost to a better team. The Los Angeles Lakers may well have been the hungrier team, Bucks' guard Jon McGlocklin admitted. And no one could be craving the cham- pionship more than the Lakers' Jerry West, who never has sav- ored one in his brilliant 12-year career.

West had missed all seven of his shots in the third quarter Saturday. But he came back to score 12 points in the last 5½ minutes of the fourth period as the Lakers overcame a 10-point deficit and beat the Bucks 104-100 to clinch the Western Con- ference playoffs in six games. The Lakers, who defeated Milwaukee eight times in 11 meetings this season, will meet the New York Knicks in the playoff finals starting Wednes- day at Los Angeles. "This time of year, all teams are great and the team that is hungriest is going to win," McGlocklin said. "I felt all along last year that we would win."

"I think the ability's here, but there was a completely dif- ferent feeling to me as a player this year," he said. Milwaukee beat Los Angeles in almost every category—ex- cept in victories. The Bucks noted, however,

they had been called for 147 fouls to the Lakers' 108, enab- ling Los Angeles to sink 150 of 219 free throws to the Bucks' 100 of 132 for the series. West, a nearly 48-per-cent shooter during the regular sea- son, sank only 47 of 135 shots for less than 35 per cent in the series.

Gail Goodrich, who with West gave the Lakers 43 points from their starting guards, credited a stiffened defense anchored by Wilt Chamberlain. Besides his series-high 20 points, Chamber- lain grabbed 24 rebounds and blocked nine shots. Milwaukee's Kareem Abdul Jabbar led all-scorers with 37 points, but Chamberlain pres- sured him into missing 21 of 37 shots.

Jim Fregosi carried the Mets to their opening-game triumph, and Jim Beauchamp's pinch single drove in the winning run in the extra-inning nightcap. The Expos, the only unde- feated club in the majors going into their game, were stopped by Scipio Spinks.

The tall right-hander scat- tered five Montreal hits while his St. Louis batterymate, Ted Simmons, gave him all the runs he needed with a two-run single in the first inning. Clay Kirby went the route for the Padres, scattering six hits to end the Dodgers' six-game winning streak. Derrel Thomas gave him the winning run with a tie-breaking bases-loaded sac- rifice fly in the eighth inning.

Philadelphia's Greg Lu- zinski's fielding lapse helped Pittsburgh go ahead; then he beat the Pirates with his bat. In the top of the ninth, with

Chicago Bulls of NBA Sold

SAN DIEGO (AP) — The Chicago Bulls of the National Basketball Association have been sold to the operator of the San Diego Sports Arena, but the team will remain in Chi- cago for at least three years, it was reported today. The San Diego Union said the buyer was Canadian millionaire Peter Graham.

"Yes I have made the pur- chase," Graham told the news- paper from his home in Van- couver, B.C. "If you want it confirmed, I'm confirming it. It was me and me alone—a one- man group." No purchase figure was an- nounced. Although San Diego has been without a professional basket- ball team since the Rockets of the NBA were sold to a group in Houston last June, Graham said he had no immediate plans to move the Bulls to his sports arena.

Billie Jean in the Money

TUCSON, Ariz. (AP) — Billie Jean King of Palmdale, Fla., jumped into the money lead of the women's pro tennis tour Sunday with a convincing 6-0, 6-3 final victory over Francoise Durr of France in the Con- quistadores-Virginia Slims tour- ney here.

Giants Can't Hang on

Jim Fregosi carried the Mets to their opening-game triumph, and Jim Beauchamp's pinch single drove in the winning run in the extra-inning nightcap. The Expos, the only unde- feated club in the majors going into their game, were stopped by Scipio Spinks. The tall right-hander scat- tered five Montreal hits while his St. Louis batterymate, Ted Simmons, gave him all the runs he needed with a two-run single in the first inning. Clay Kirby went the route for the Padres, scattering six hits to end the Dodgers' six-game winning streak. Derrel Thomas gave him the winning run with a tie-breaking bases-loaded sac- rifice fly in the eighth inning. Philadelphia's Greg Lu- zinski's fielding lapse helped Pittsburgh go ahead; then he beat the Pirates with his bat. In the top of the ninth, with

the Phils leading 3-2, Luzinski misplayed Richie Hebner's fly ball to left field, allowing it to drop for a double that enabled Pittsburgh to score a pair of runs. But in the bottom of the ninth, he atoned for his mis- play, unloading a towering homer that tied the score 4-4. And in the 11th, he slammed a triple, then raced home with the winning run on pinch-hitter Tommy Hutton's two-out single.

In Atlanta, the Braves also gave, then took back, allowing the Reds to score a pair of runs in the top of the 11th, then charging back for three in the bottom of the inning. Hank Aaron's second homer of the season and 641st of his career brought the Braves an eighth-inning 1-1 tie and Darrell Evans' solo hit with two out in the 11th started them back toward victory.

Mike Lum's single, Jim Brea- zeale's run-scoring pinch-double and Felix Millan's single fin- ished off Cincinnati.

Lee May highlighted the As- tros' rally with a three-run homer that put Houston ahead 8-7. "That's more hits than I get in a week," he said of the eight-hit, ninth-inning against three San Francisco hurlers. Successive home runs in the fifth inning by Cleon Jones and

Travelers Find Groove

LITTLE ROCK (AP) — The Arkansas Travelers found their groove Sunday afternoon and defeated the Shreveport Cap- tains 5-1 in Texas League ac- tion. Bake McBride and Al Putz both hit home runs for the Travelers. Bob Forsch controlled the Captains until the eighth and then Greg Millikan moved in to retire the last four batters. "The club looked better in ev- ery respect," said Arkansas manager Fred Koenig. "And it was a nice one to win for any number of reasons."

Putz hit his home run in the fifth, his third of the season. "He'll hit if they pitch to him," Koenig said. "Saturday he got two swings. At two 3-0 pitches."

The Travelers took the series when two out of three games from the Captains. Monday the Travelers open a five-game set with Alexandria, the only Eastern Division team they have not faced.

Red-White Game Called Best

LITTLE ROCK (AP) — Coach Frank Broyles concludes that Saturday night's Red-White game, completing the Razorbacks' spring football drills, was the best to watch in his 14 years at Arkansas. He added, "Mind you, I didn't say this is the best team." The Whites won the game 27-21 before an estimated 30,400 persons, the largest crowd ever to see a Red-White battle. Broyles said it was the best to watch "for consistency, for carrying out of assignments by both offense and defense, for the low number of turnovers, for enthusiasm and for other things." Quarterback Joe Ferguson led the White attack, com- pleting 17 of 29 passes for 228 yards. "Our offense showed the best consistency of all spring," Broyles said. "But it is not as advanced as last year's team.

Solunar Tables

The schedule of Solunar Periods, as printed below, has been taken from Richard Alden Knight's SOLUNAR TABLES. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

Date	A.M.		P.M.	
	Minor	Major	Minor	Major
Apr. Day				
24 Monday	1:35	8:05	2:00	8:25
25 Tuesday	2:15	8:40	2:40	9:00
26 Wednesday	2:50	9:15	3:15	9:35
27 Thursday	3:25	9:55	3:50	10:15
28 Friday	4:05	10:35	4:30	10:55
29 Saturday	4:45	11:25	5:10	11:45
30 Sunday	6:35	12:45	7:00	1:20

Declares Bumpers Sold Like Soap

RUSSELLVILLE, Ark. (AP) — State Sen. O. Bryn Hurst of Hot Springs said Saturday night that Gov. Dale Bumpers was sold to the Arkansas voter in the last election like a "bar of soap."

Hurst is seeking the Democratic nomination for governor along with Mack Harbour of Paragould and Lester Gibbs of Little Rock. Bumpers is seeking re-election.

Hurst made the statements at the Pope County Democratic Rally on the campus of Arkansas Tech.

"We allowed an ad agency to select a man from Northwest Arkansas and package this man like a bar of soap... and sell him as governor of the state of Arkansas."

Hurst also said he was concerned that several commissions in the state government, such as the Parks and Tourism commission, were not meeting.

Rep. David Pryor, D-Ark., was also at the rally. He is seeking the Democratic nomination for the position held by

Sen. John I. McClellan D-Ark., who is running for re-election. Also at the rally were Ted Boswell of Bryant and Foster Johnson of Little Rock.

Pryor told those attending the rally that it was time for a change in the Senate "while our flanks are protected." He was referring to the congressional delegation made up of Arkansas' other congressmen.

He repeated statements that he was tired of Arkansas being first in seniority, first in influence, first in power and last in everything else.

Boswell echoed Pryor's sentiments.

"Arkansas is tired of being 49th and 50th in virtually every category that concerns people," he said. "A bold new direction must be sought."

"We no longer need a United States senator from the state of Arkansas who is responsive only to the special interests of the state who had his favorite banks, who has his favorite savings and loan associations, who has his favorite political dynasties in cities and counties throughout the state and who recognizes in certain individuals the power and the will to control the politics in Arkansas and the government in Washington," Boswell said.

Rep. David Pryor, D-Ark., was also at the rally. He is seeking the Democratic nomination for the position held by

Three Men Charged

HEBER SPRINGS, Ark. (AP) — Three men, who were wanted by officers in five counties for allegedly passing fraudulent checks have been arrested and charged, authorities said.

Sheriff Pat Warren of Cleburne County said the three, Alton Holliman, Wilburn Holliman and Richard Clayton, all of Quitman, were arrested Saturday on charges of passing fraudulent checks after a high-speed auto chase involving officers from three counties.

Warren said the chase began early Saturday on Arkansas 124 at Quitman when Marshal Glen Tucker attempted to arrest the trio. The sheriff said Tucker pursued the three for several miles before they wrecked their car and ran into the woods.

Warren said authorities from Cleburne, Van Buren and Faulkner counties, assisted by bloodhounds from Cummins Prison Farm, searched the area for several hours before Tucker captured the men near the Quitman school.

Warren said authorities from Cleburne, Van Buren and Faulkner counties, assisted by bloodhounds from Cummins Prison Farm, searched the area for several hours before Tucker captured the men near the Quitman school.

Warren said the three, Alton Holliman, Wilburn Holliman and Richard Clayton, all of Quitman, were arrested Saturday on charges of passing fraudulent checks after a high-speed auto chase involving officers from three counties.

Warren said the chase began early Saturday on Arkansas 124 at Quitman when Marshal Glen Tucker attempted to arrest the trio. The sheriff said Tucker pursued the three for several miles before they wrecked their car and ran into the woods.

Warren said authorities from Cleburne, Van Buren and Faulkner counties, assisted by bloodhounds from Cummins Prison Farm, searched the area for several hours before Tucker captured the men near the Quitman school.

LEGAL NOTICE

LEGAL NOTICE

NOTICE OF SALE OF SCHOOL BONDS

Hope School District No. 1-A of Hempstead County, Arkansas, hereby gives notice that it will sell on auction bids on the date specified below its proposed issue of \$400,000 Construction School Bonds, to be dated May 1, 1972, with interest to be payable semiannually on February 1 and August 1 of each year, commencing February 1, 1973, and maturing serially on February 1 of each year as follows:

YEAR	AMOUNT
1974	\$8,000
1975	9,000
1976	10,000
1977	11,000
1978	12,000
1979	13,000
1980	15,000
1981	16,000
1982	17,000
1983	18,000
1984	19,000
1985	20,000
1986	22,000
1987	24,000
1988	26,000
1989	28,000
1990	30,000
1991	32,000
1992	34,000
1993	37,000

The bonds were approved by the electors of the District at the annual school election on March 14, 1972, and at said election a continuing annual building fund tax of 3-1/2 mills on the dollar of the assessed valuation of the taxable real and personal property in the District was voted for the payment of the principal of and interest on the bonds until paid in full. The bonds will be general obligations of the School District secured by the District's full faith, credit and resources. They will be primarily payable from said building fund tax, but in addition, the bonds will be secured by a pledge of all revenue that the District can legally pledge, including the annual surplus derived each year from the building fund taxes previously voted for bonds now outstanding.

The surplus arising each year from the District's building fund taxes may be used by the District for other school purposes.

The assessed valuation of the taxable real and personal property in the District, according to the 1971 assessment is \$13,507,869.

The purchaser may name the Trustee and Paying Agent. All expenses of the issue, including the printing and trusteeing of the bonds and the fee of Smith, Williams, Friday, Eldredge & Clark, Bond Counsel, Little Rock, Arkansas, will be paid by Stephens, Inc., Little Rock, Arkansas, the District's fiscal agent.

Neither supplemental nor dual coupons will be permitted but the purchaser will have the privilege of converting the bonds to an issue bearing a lower rate or rates of interest with any conversion to be in accordance with the Universal Bond Values Tables and upon such terms that the District receive no less and pay no more than it would receive and pay if the bonds were not converted, with any conversion to be subject to the approval of the Board of Directors of the District and of the Director, Department of Education of the State of Arkansas. In addition, the following conversion conditions shall be applicable:

- (1) The average maturities cannot be shortened by more than six months;
- (2) The converted schedule shall contain not more than four (4) rates of interest (not counting the same rate of interest that is repeated for different maturities); and
- (3) The difference between the lowest rate of interest in the converted schedule and the rate bid must not be greater than 1 percent.

The bonds will be callable for payment prior to maturity, at the option of the District, in whole or in part, in inverse numerical order at par and accrued interest as follows: From surplus proceeds of said building fund tax on any interest paying date; from funds from any source on any interest paying date on and after February 1, 1977.

No bid of less than par and accrued interest will be entertained. Only one rate of interest shall be bid and the award, if made, will be to the bidder whose bid results in the lowest net interest cost to the District.

computed by determining the total interest cost from date to maturity.

The bonds will be sold upon auction bids at 7:30 o'clock p.m. on the 8th day of May, 1972, in the office of the Superintendent, Administration Building, Second and South Walnut, Hope, Arkansas. Each bidder will be required to file a certified or cashier's check in the amount of \$8,000 on a bank that is a member of the Federal Deposit Insurance Corporation, payable to the District, to be kept as liquidated damages if the bidder is awarded the sale of the bonds and fails to complete the purchase. Checks of unsuccessful bidders will be promptly returned and the District will not pay interest on good faith checks. The District reserves the right to reject any and all bids.

The successful bidder will be furnished, without cost, the unqualified approving opinion of the law firm of Smith, Williams, Friday, Eldredge & Clark, Little Rock, Arkansas, to the effect that the bonds are valid and legally binding obligations of the District and, unless paid from other sources, are payable from the continuing annual tax levied upon all of the taxable real and personal property within the District. They will also furnish a statement in such approving opinion that they have taken into account litigation recently instituted in certain states, such as Serrano v. Priest, in California, Van Duzart v. Hatfield, in Federal Court in Minnesota, Rodriguez v. San Antonio Independent School District, in Federal Court in Texas, and Hayes v. Sherrell, filed January 17, 1972 in the United States District Court for the Eastern District of Arkansas, challenging the constitutionality of the present system of levying the taxes and applying funds for public school purposes, and that it does not modify or qualify the conclusions stated in their opinion.

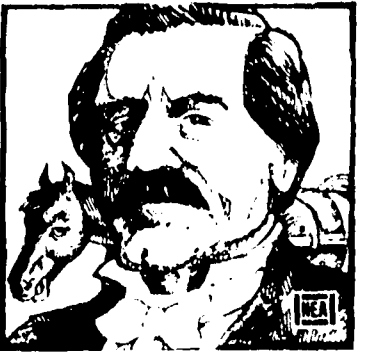

For further information address the undersigned or Stephens, Inc., Little Rock, Arkansas.

Given this 10 day of April, 1972, Board of Directors of Hope School District No. 1-A of Hempstead County, Arkansas

Score of 15 or less is poor

Score of 16 or more is good

Tony Awards Are Made

By WILLIAM GLOVER
AP Drama Writer

NEW YORK (AP) — "Sticks and Bones" and "Two Gentlemen of Verona," Broadway shows written by newcomers, swept top honors for an exciting finale to the 26th annual Tony Awards ceremony before a star-studded audience.

The top drama was "Sticks and Bones," written by 31-year-old Vietnam veteran David Rabe. "Two Gentlemen," written by John Guare and Mel Shapiro, was named the best musical.

The top acting awards for musical performance presented during Sunday night's ceremony went to Alexis Smith of "Follies" and Phil Silvers, who arrived just two weeks ago in a revival of "A Funny Thing Happened on the Way to the Forum."

Cliff Gorman of "Lenny" and Sada Thompson of "Twigs" garnered the top drama acting prizes.

Supporting musical awards went to Larry Blyden, also in "Forum," and to Linda Hopkins, who appeared in "Inner City," which closed three months ago.

In the drama supporting categories the winners were Vincent Gardenia of "The Prisoner of Second Avenue" and Elizabeth Wilson of "Sticks and Bones."

"Sticks and Bones" is the story of a blinded soldier returning home from the war to his family. "Two Gentlemen" is a lighthearted romp through the Shakespeare comedy. It moves to rock and Latin American beats and blues type jazz. Guare and Shapiro shared a Tony for their book.

The honors for the two shows were a double victory for the lively theatrical organization headed by Joseph Papp. He originally produced both shows—off Broadway.

"Follies," a musical that opened a year ago but was eligible for consideration now under Tony deadline regulations, won seven silver medallions in the 18 competitive categories, the most for a single production.

By coincidence the ceremonies took place on the 408th anniversary of Shakespeare's birth. His posthumous assist to 1972 creativity was the only overseas tinge amid all the presentations. For the first time in many years all the awards were won by Americans.

Tony recipients in other competitive categories were: musical score, Stephen Sondheim, "Follies;" musical director, Harold Prince and Michael Bennett, jointly, "Follies;" choreographer, Bennett, "Follies;" play director, Mike Nichols, "The Prisoner of Second Avenue." Three other "Follies" awards were to Boris Aronson, scenic design; Florence Klotz, costumes; and Tharon Musser, lighting.

Special awards for distinguished accomplishment through long careers were presented to musical star Ethel Merman and composer Richard Rodgers, both of whom participated in quick-tempo reprises of conspicuous triumphs.

HOPE (ARK.) STAR, Printed by Offset

Descartse Landing Acclaimed

By BILL STOCKTON
AP Science Writer

SPACE CENTER, Houston (AP) — Scientists are acclaiming Apollo 16's mission to the Descartes highlands where the astronauts collected rocks believed formed by the fiery volcanoes that shaped the early moon.

"We have little doubt they've looked at examples of the early volcanic processes that formed the highlands," said Dr. Wil-

liam Muehlberger, head of the Apollo 16 geology investigation team.

Moreover, man now has a fourth nuclear-powered geophysics station on the moon returning satisfactory data about moonquakes and the lunar magnetic field.

The major blight upon the mission achieving its scientific goals occurred, however, when John W. Young stumbled while

erecting the station and tore loose a cable to the heat flow experiment. The experiment, critical to learning about heat still in the lunar interior, couldn't be repaired.

If it hadn't been for the heat flow cable breaking, we'd have a perfect mission even though we had to cut the third EVA (moonwalk) short," said Dr. Fred Horz, a Manned Spacecraft Center geologist who

helped train Young and Charles M. Duke.

Apollo 16 went to the lunar highlands because they were believed to be much older than the flat lunar maria or seas that are filled with volcanic flows. Tantalizing bits of quite old lunar rocks had been found in the maria, apparently thrown there from the highlands.

The Descartes Mountains,

Monday, April 24, 1972

two of which Young and Duke visited during their lunar exploration, are believed to have formed by lava upwelling from within the moon.

At about the same time, or perhaps slightly later, a great storm of meteorites pelted the moon. They created sheets of finely ground up lunar material that flowed across the moon, perhaps at speeds of several hundred miles an hour. The sheets, which weren't molten, settled into the basins between the volcanic mountains.

WE'VE A STORE FULL OF DISCOUNT PRICES!

You are looking at just a sample of the saving opportunities at Safeway. Always count on our discount prices to give you better eating at less cost, whatever day you choose to shop. The foods you get are the same fine quality you've learned to expect at Safeway. Now they're priced discount-low every day. Save time and save money. All you need to remember is Safeway for top quality at discount prices every time you shop.
